

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS
OF
ELECTROCORE, INC.**

Purpose

The Audit Committee is appointed by the Board of Directors (the "Board") of electroCore, Inc. (the "Company") to assist the Board in overseeing the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. In that regard, the Audit Committee assists the Board in monitoring: (1) the integrity of the financial statements of the Company; (2) the independent auditor's qualifications and independence; (3) the performance of the Company's internal audit function and independent auditors; and (4) the compliance by the Company with legal and regulatory requirements.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "Commission") to be included in the Company's annual proxy statement.

Committee Membership

The Audit Committee shall consist of no fewer than three members. Each member of the Audit Committee shall be an "independent director" as defined by Rule 5605(a)(2) of The Nasdaq Stock Market LLC ("NASDAQ") and meet the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") (subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act). All members of the Audit Committee shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. No member of the Audit Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the past three years. At least one member of the Audit Committee shall be an "audit committee financial expert" as defined under applicable Commission rules and other requirements in effect from time to time.

However, one director who does not meet the NASDAQ definition of independence, but who meets the criteria set forth in Section 10A(m)(3) under the Exchange Act and the rules thereunder, and who is not a current officer or employee or a family member of such individual, may serve for no more than two years on the Audit Committee if the Board, under exceptional and limited circumstances, determines that such individual's membership is required by the best interests of the Company and its shareholders. Such individual must satisfy the independence requirements set forth in Section 10A(m)(3) of the Exchange Act, and may not chair the Audit Committee. The use of this "exceptional and limited circumstances" exception, as well as the nature of the individual's relationship to the Company and the basis for the Board's determination, shall be disclosed in the annual proxy statement.

In addition, if an Audit Committee member ceases to be independent for reasons outside the member's reasonable control, his or her membership on the Audit Committee may continue until the earlier of the Company's next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to qualify as independent. If the Company is not already relying on this provision, and falls out of compliance with the requirements regarding Audit Committee composition due to a single vacancy on the Audit Committee, then the Company will have until the earlier of the next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; *provided, however*, that if the annual shareholders' meeting occurs no later than 180 days following the event that caused the vacancy, the Company shall instead have 180

days from such event to regain compliance. The Company shall provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the non-compliance, if it expects to rely on either of these provisions for a cure period.

The members of the Audit Committee shall be appointed and may be replaced by the Board with or without cause. Unless the Board elects a Chair of the Audit Committee, the Audit Committee shall elect a Chair by majority vote.

Meetings

The Audit Committee shall meet as often as it determines necessary, but not less frequently than quarterly. The Audit Committee shall meet periodically in separate executive sessions with management, the internal auditors and the independent auditor, and have such other direct and independent interaction with such persons from time to time as the members of the Audit Committee deem appropriate. The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Written minutes of Audit Committee meetings shall be maintained. The Audit Committee may also act by unanimous written consent in lieu of a meeting.

Committee Authority and Responsibilities

The Audit Committee shall have the sole authority to appoint, determine funding for, and oversee the outside auditors (subject, if applicable, to shareholder ratification). The Audit Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Audit Committee.

The Audit Committee shall pre-approve all auditing services, internal control-related services and permitted non-audit services (including the range of fees and terms thereof) to be performed for the Company by the independent auditor, subject to the *de minimis* exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit. The Audit Committee shall review and discuss with the independent auditor any documentation supplied by the independent auditor as to the nature and scope of any tax services to be approved, as well as the potential effects of the provision of such services on the auditor's independence. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, *provided* that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate to carry out its duties, to engage and determine funding for independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company and to any advisors employed by the Audit Committee, as well as funding for the payment of ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties. Notwithstanding the foregoing, the Chair of the Audit Committee shall, unless the exigencies of a

specific situation require otherwise, first advise the Company's Chief Financial Officer of any such potential material expenditures.

The Audit Committee shall make regular reports to the Board. The Audit Committee shall review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval.

The Audit Committee, to the extent it deems necessary or appropriate, shall:

 - (a) all critical accounting policies and practices to be used;
 - (b) all alternative treatments of financial information within U.S. generally accepted accounting principles (GAAP) that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and

7. Discuss with management the Company's earnings press releases, including the use of "*pro forma*" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may

13. Ensure that a public announcement of the Company's receipt of an audit opinion that contains a going concern qualification is made promptly.

Oversight of the Company's Relationship with the Independent Auditor

14. Before the engagement of the independent auditor and at least annually thereafter, review and discuss with the independent auditor the independent auditor's written communications to the audit committee regarding the relationships between the auditor and the company that, in the auditor's professional judgment, may reasonably be thought to bear on its independence and affirming in writing to the audit committee that the auditor is independent.
15. Review and evaluate the lead partner of the independent auditor team.
16. Obtain and review a report from the independent auditor at least annually regarding: (a) the independent auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review or peer review of the independent auditor, or by any inquiry or investigation by governmental or

professional authorities within the preceding five years respecting one or more independent audits carried out by the independent auditor; and (c) any steps taken to deal with any such issues. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the independent auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, and taking into account the opinions of management and internal auditors. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.

17. Obtain from the independent auditor a formal written statement delineating all relationships between the independent auditor and the Company. It is the responsibility of the Audit Committee to actively engage in a dialogue with the independent auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent auditor and for purposes of taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor.
18. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditor on a regular basis.
19. Recommend to the Board policies for the Company's hiring of employees or former employees of the independent auditor.
20. Meet with the independent auditor prior to the audit to discuss the planning and staffing of the audit.

Oversight of the Company's Internal Audit Function

21. Review the appointment and replacement of the senior internal auditing executive.

25. Obtain reports from management, the Company's senior internal auditing executive and the independent auditor that the Company and its subsidiary/foreign affiliated entities are in conformity with applicable legal requirements and the Company's Code of Business Conduct and Ethics. 29. Discuss with the Company's compliance officer, or other person designated by the Audit Committee, legal matters that may have a material impact on the financial statements or the Company's compliance policies.

Limitation of Audit Committee's Role

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits, or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with GAAP and applicable rules and regulations. These are the responsibilities of management and the independent auditor.
